Methodological explanations	<p>Data were compiled on the basis of the results of the <b>Adult Education Survey</b>.</p> <p>The Adult Education Survey (AES) covers adults' participation in education and training (formal, non-formal and informal learning) and is one of the main data sources for European Union lifelong learning statistics. The AES covers the resident population aged 25-64. The reference period for the participation in education and training is the twelve months prior to the interview.</p> <p>The following information is available from the AES:</p> <ul style="list-style-type: none"> <li>• participation in formal education, non-formal education and training and informal learning</li> <li>• characteristics of the learning activities</li> <li>• volume of instruction hours</li> <li>• reasons for and obstacles to participating</li> <li>• employer financing and costs of learning</li> <li>• self-reported language skills</li> </ul> <p>Adult Education Surveys were carried out in 2007, 2011 and 2016. The next edition is planned for 2022.</p>
Source of data	Statistics Poland
Data availability	Data every 4 years; od 2011 r.
