

## Statistics for the SDGs - indicators for national priorities

| Name of the indicator           | 8.2.a Ease of Doing Business Index (ranking positions in Doing Business)  |
|---------------------------------|---|
| Sustainable Development<br>Goal | Goal 8. Decent work and economic growth   |
| Priority                        | Entrepreneurship development (legal facilitation in conducting economic activity and access to financial instruments)   |
| Definition                      | The country position in Doing Business ranking concerning ease of doing business. The higher ranking position is, the simpler rules regulating matters on conducting an enterprise are and a stronger protection of property by law is.   |
| Unit                            | position in the ranking   |
| Available dimentions            | total   |
| Methodological<br>explanations  | <ul> <li>Ease of doing business index is meant to measure regulations directly affecting businesses and does not directly measure more general conditions such as a nation's proximity to large markets, quality of infrastructure, inflation, or crime. A nation's ranking on the index is based on the average of 10 subindices:</li> <li>1. starting a business - procedures, time, cost and minimum capital to open a new business;</li> <li>2. dealing with construction permits - procedures, time and cost to build a warehouse;</li> <li>3. getting electricity - time and cost required for a business to obtain a permanent electricity connection for a newly constructed warehouse;</li> <li>4. registering property - procedures, time and cost to register commercial real estate;</li> <li>5. getting credit - strength of legal rights index, depth of credit information index;</li> <li>6. protecting investors - indices on the extent of disclosure, extent of director liability and ease of shareholder suits;</li> <li>7. paying taxes - number of taxes paid, hours per year spent preparing tax returns and total tax payable as share of gross profit;</li> <li>8. trading across borders - number of documents, cost and time necessary to export and import;</li> <li>9. enforcing contracts - procedures, time and cost to enforce a debt contract;</li> <li>10. resolving insolvency - time, cost and recovery rate under bankruptcy proceeding.</li> </ul> |
| Data source                     | World Bank  |
| Data availability               | Annual data; since 2012   |
| Notes                           | Doing Business report is prepared once a year and it is based on data from the year preceding its publication. Data presented in Platforma SDG as 2013 come from the Doing Business report from 2014.   |
