

## Statistics for the SDGs - global indicators

| Name of the indicator           | 14.1.1 Index of Coastal Eutrophication (ICEP) and Floating Plastic Debris Density                                                                                      |
|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Sustainable Development<br>Goal | Goal 14. Life below water                                                                                                                                              |
| Target                          | 14.1 By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution |
| Definition                      |                                                                                                                                                                        |
| Unit                            |                                                                                                                                                                        |
| Available dimensions            |                                                                                                                                                                        |
| Methodological explanations     |                                                                                                                                                                        |
| Data source                     |                                                                                                                                                                        |
| Data availability               |                                                                                                                                                                        |
| Notes                           |                                                                                                                                                                        |
